Skin Care Body Courses

At Presence

My Body
At Presence

Days: 2 days and a half
Mode: My Face theoretical and practical learning workshop
Maximum number of participants: 12 people

During the course you will learn to recognise the ideal cosmetics to moisturise, purify or revitalise facial skin, so that you can consciously choose the perfect cleansing, targeted serum, ideal nourishment and the best mask to ensure visible results from the very first applications. You will learn effective manual techniques for a complete facial ritual that is highly sensorial and particularly effective, and you will expand the holistic-sensory horizons of the beautician's profession with the in-depth study of digito-pressure and TCM (traditional Chinese medicine). You will learn how to use cosmetics formulated with the philosophy of Cosgenetics, the most evolved approach to the world of aesthetics created by Philip Martin's, and you will learn how to sell treatments, how to use formats and sales packages to propose to clients.

Master Skin Care

At Presence

La Via dell'Armonia
At Presence

Days: 2 days
Mode: Theoretical and practical learning workshop
Maximum number of participants: 10 people

The human being is constantly searching for psycho-physical balance. This experiential workshop will highlight how human beings are connected to the cosmos and how to acquire the ability to keep their emotions in balance, so that they can 'operate' with more harmony and awareness. The workshop will include physical exercise sessions aimed at achieving optimal psycho-physical energy.

Ātman
At Presence

Days: 2 days
Mode: Theoretical and practical learning workshop
Maximum number of participants: 10 people

This pathway embraces the importance of balance between mind, heart and belly: fulcrums in which living in harmony is established from a holistic, oriental perspective where everything is part of everything. Every organ, tissue and individual cell in the body are connected to each other both physiologically and energetically. Mind, heart and belly are three very important organs capable of governing emotions, rational and unconscious thoughts. In this Master's course you will understand how these organs are interconnected and how you can restore energetic balance to the resulting disorders.

La Via della Consapevolezza
At Presence

Days: 6 days
Mode: Theoretical and practical learning workshop
Maximum number of participants: 10 people

A journey into inner awareness structured in six courses.
1st Course: More than a Welcome
Aromatherapeutic use of 32 Pure Essential Oil.
2nd Course: As the Eyes so the Body
Iridology and observation of iris colour.
3rd Course: Nutri Dermocosmetics
Fitotherapy and the study of Nutraceuticals.
4th Course: The Secret Language of the Face
Fisionomics.
5th Course: The Possession of the Question
Presenting oneself in the correct way to the client.
6th Course: Holistic Aesthetician
The beautician becomes aware of the importance of a deep look at the client.

Technology TMX6

The Future is Renewed

**The new advanced technology
at the service of your cellular renewal**

TMX6 is a machine designed and exclusively for Philip Martin's. It can be summarized as a method technology, that is, with one machine we can work on the skin of both body and face. Through the help of handpieces we work on three fronts: renewal, deep cleansing and conveying.

TMX6 is an evolved system that includes 3 targeted actions: Microdermabrasion which is a skin suction system, Ionozone which is a negative ion generator for deep skin cleansing, and Thermophoresis which is endothermic thermal generation applicable through handpieces for the delivery of Philip Martin's products.

Plus

Deep cleaning.

It favors the penetration of the active ingredients.

Counteracts skin problems.
